

CHILD SAFETY CODE OF CONDUCT

Purpose

Yarraville Special Developmental School Child Safety Policy sets out the school's commitment and approach to creating and maintaining a child safe organisation where children and young people are safe and feel safe and provides the policy framework for the school's approach to the Child Safe Standards.

Yarraville Special Developmental School is committed to the safety and wellbeing of children and young people. Our school community recognises the importance of, and a responsibility for, ensuring our school is a safe, supportive, and enriching environment which respects and fosters the dignity and self-esteem of children and young people, and enables them to thrive in their learning and development.

This Code of Conduct aims to protect children and reduce any opportunities for child abuse or harm to occur. It also assists in understanding how to avoid or better manage risky behaviours and situations. It is intended to complement child protection legislation, Department policy, school policies and procedures and professional standards, codes, or ethics as these apply to staff and other personnel.
