Dear Parents and Carers,

We are now halfway through the term, and winter has well and truly set in. We have seen our students settle into their class and work routines and reports from staff being positive with respect to student work and achievements towards the many different programs we offer, as well as the students Individual learning goals.

**School Photos**

We had our school photos at the beginning of last week and what a successful day it was. Many thanks to Zane for her organisation of students on the day, making the transition for all students a successful and ‘Smiley’ one.

**Coles Sports for Schools**

It is with many hands that the staff and students applaud the Yarraville community on their support toward Yarraville SDS raising upwards of 30,000 tokens for Coles’ Sports for Schools. The picture included only highlights half the envelopes we filled with tokens. This will allow the Sports Department to obtain additional equipment at no expense!

**Athletics Day**

Thursday, June 14th will see all students of Yarraville SDS participate in this year’s Athletics Day. We are hoping to be blessed by the weather Gods and get some clear skies for the day. We are reaching out to any parents or carers of students to come and help support your child on the day, by assisting and partaking in the organised games. There will be a availability form sent out in the coming weeks – so please keep an eye in the students’ work diaries for it.

**New School Website**

Take a look at our brand new school website!
