End of term Three	Friday 21st September 2018

Dear Parents and Carers,

We are very much settled into Term 3 and feeling the full force of what Melbourne's winter has to offer.

Book Week

This term has already seen so much happening, with our students celebrating Book Week. Not only have our students delved deeper into their understanding of the use and importance of words, but they again celebrated this with a dress up Parade! Many thanks to all parents that were able to come to the school and join in this celebration.

Primary Swimming

We were also fortunate enough to once again provide our Primary students with the opportunity to undertake a 5-day intensive swimming program. Throughout this program, students worked closely with Maribyrnong Aquatic Centre swim teachers to understand pool and water safety, as well as developing their skills in water floatation and general swimming practices. For pictures, please see the coming pages.

Coles Sports for Schools

We are due to, and very much looking forward to, receiving all of the equipment we were able to receive from the Coles Token Collection Sports for Schools Challenge. This will provide our students the opportunity to not only enjoy brand new equipment, but also engage in new games and activities and develop a new range of skill sets.

Father's Day

As I am sure you are all aware, Father's Day is fast approaching. We are now a week away from celebrating all the fantastic work that father's do. At Yarraville, some of our Secondary students have been making mugs and soap in preparation of this celebration. If you wish to purchase any of these items, please fill out the attached order form that can be found in the final pages of this newsletter. Warm regards,

Tim Witcombe

A BIG 1st for the YSDS Café today as they served their
1st Baby Chino

to the wonderful **TOM!** (Younger brother of Eva)

whilst he attended a casual parent catch up and morning tea with his mum.
