Whole School Assembly – 2.00pm	Friday 21 st September 2018
Last day of Term 3, students finish at 2:30pm	Friday 21 st September 2018
First Day of Term 4 2018	Monday 8 th October 2018

Dear Parents and Carers,

We have certainly enjoyed some beautiful sunshine this week and I hope you did too!

Numeracy Week

Last week, all our students participated in the Numeracy Week celebration at the school. Classes had made posters to celebrate their room numbers and joined in with others in some maths games in our corridor. It was great to see some family members join us for the activities and I wish to thank Jacqueline Wood for organising this. The National Numeracy and Literacy week was a distinct opportunity for us to celebrate numeracy with our students and parents. It was great to see students engage in various activities/games both in groups and individually. The week is also a reminder for us to recognise the importance of building strong numeracy skills for all our students.

The numeracy week was another opportunity for our parents had another opportunity to join in and participate in math activities with their child during Literacy and Numeracy week. Students enjoyed having their parents or friends' parents join them for the fun Number based games and activities.

Footy Day

The Student Representative Council (SRC) have organised a Footy Day on Friday August 21st. Our student leaders have surveyed students across the school to decide on what food they will prepare to sell on the day. All students can come dressed in their footy colours and hotdogs will be for sale. Please order hot dogs and drink for your child if you wish.

School Facilities

The installation of a new fence in front of our school has begun and we hope that the work will be completed before the end of term. We look forward to the completion of this work which is aimed at making our school environment safer for the students.

We have also appreciated the contribution from one of our parents, Mr Haminder Singh Mali who hired a cleaning company on behalf of his company *Ride Boom* to clean our roof and concrete areas in front and at the back of our school. The roof looks great and so does the front of our school.

School Review

We have received a copy of our Review Report from the reviewer. This report will inform our next strategic plan. We are also pleased that the report acknowledges that our school is FULLY compliant to VRQA standards.

The report includes the key directions identified by the panel for consideration in developing the School Strategic Plan 2019-2021

Assembly

Our End of Term assembly will be held on Friday August 21st at 2:00 pm. Our assemblies are a celebration of the achievements made during the term and an opportunity for our wider school community to join with as e share student work and/or performances. We hope to see many of you join us for our term 3 assembly.

End of Term

Just a reminder that school will finish early at 2.30pm on 21st September - the last day of school for Term 3. Parent/carers are requested to make arrangements to cater for this earlier finish of the school on this last day of the term. School will resume on Monday October 8th for all students.

We have another week to go but I would like to wish everyone a relaxing and enjoyable vacation with family.

Be safe, take care and spend this precious time enjoying each other's company. If your AFL team is still in the running, enjoy the finals season and good luck!

Enjoy the weekend and the last week of school.

Meet Aaron Trinh

Aaron is one of our student leaders who designed the Footy Day flyer.

Aaron is 18 years old and this is his final year at Yarraville SDS. On Wednesday, Aaron visited David House and YMCA with his family and Kelly Botha to help him make a decision about his placement for 2019. Aaron thoroughly enjoyed the experience and also joined a group of adults in a basketball match.

Meet Jacqui

Jacqui is classroom teacher in Room 2 and she is also an Assistant Team Leader – Primary Learning Area. Jacqui organized Numeracy Week activities for the whole school which was very engaging for the students. Thank you Jacqui.

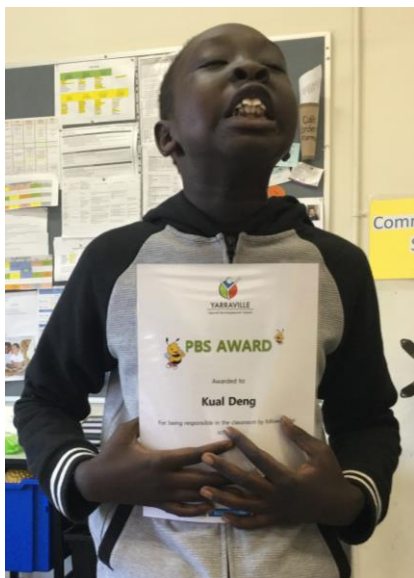

Regards,
Ashwini

Every Child, Every Opportunity, Every Day

POSITIVE BEHAVIOUR SUPPORT (SWPBS) AWARDS

CONGRATULATIONS KUAL AND AISHA!
